Active contributors to CEB content, including top law firms and sitting judges

75+

Years of experience with California law

120

Documents addressing Family Law

## Simplify Your Approach to California Family Law

Get actionable guidance from CEB secondary sources and workflows that breakdown the most complex regulatory issues in the country. Access key titles with information you can't get anywhere else.

### Practice Under the California Family Code: Dissolution, Legal Separation, Nullity

- Gain a complete command of everything needed to handle dissolution, legal separation, nullity, and parentage actions from both judicial and attorney perspectives—kept current with the latest cases, legislation, and court rules.

### California Child and Spousal Support: Establishing, Modifying, and Enforcing

- Get the best results for your client in a family law support case with step-by-step guidance, time-saving tips, and sample forms in this in-depth guide.
- This publication is intended to equip the practitioner with the tools needed to handle a broad variety of custody and visitation matters and includes specialized treatment of such issues as parental relocation (“move-away”) cases, third party visitation, mediation, evaluations, modification, and enforcement.

### California Juvenile Dependency Practice

- Dependency law practitioners work in a complex legal specialty.
- This title provides the “nuts-and-bolts” on how to handle an important aspect of the practice, including the petition, each individual hearing, the Indian Child Welfare Act, and Appeals and Writs, while also analyzing the special problems and issues involved in representing particular participants: the parents, the child, de facto parents, and the petitioner.
